

SMC SCHULTE
MARINE CONCEPT

Newbuilding & Conversion

From concept to delivery and beyond

Who we are	<ul style="list-style-type: none"> • Schulte Marine Concept (SMC) is the project focused business within the Schulte Group, providing a comprehensive range of tailored technical consultancy and project management services as well as value-added solutions for newbuilding, conversion and retrofit projects, and technical support for fleet in service. • SMC's expertise in shipbuilding and BSM's experience in shipmanagement provides an integrated 'end-to-end' service from newbuilding through to vessel delivery and full management. • Headquartered in Shanghai, China, SMC operates through regional offices in Hong Kong and project-specific site offices spread throughout global key ship building markets. 																																																																																						
	Our services	<ul style="list-style-type: none"> • Newbuilding and conversion projects <ul style="list-style-type: none"> • Project management • Design consultancy • Yard selection, audit, gap analyses • Contract review and negotiation • Plan approval and Makers selection • Site supervision • Pre-purchase inspections • Provision of supervisors 	<ul style="list-style-type: none"> • Fleet in service support <ul style="list-style-type: none"> • Dry-docking support • Retrofit projects • Conversion projects • Major repairs management and supervision • Damage survey • Ballast Water Treatment System retrofit • Scrubber retrofit
