

Newbuilding & Conversion

Who we are

- **Schulte Marine Concept (SMC)** is the project focused business unit within the **Schulte Group**, providing a comprehensive range of technical consultancy and project management services as well as value-added solutions for newbuilding, conversion and retrofit projects, and technical support for fleet in service.
- SMC's expertise in shipbuilding and BSM's experience in shipmanagement provides an integrated 'end-to-end' service from newbuilding through to vessel delivery and full management.
- Headquartered in Shanghai, China, SMC operates through regional offices in S.Korea, India, Türkiye and project-specific site offices spread throughout global key ship building markets.
